Mr. Elmer Flanders

Dear friend,

How are you doing? I hope that you and your family are doing well. I hope that you have recovered fully from the illness you suffered from last month and that your health is back to normal. Take care of your health always. We are aging and more prone to illnesses already. Do not forget to eat healthy and exercise regularly. I have begun a healthier lifestyle last year and I have seen great results to my health.

How are your kids doing? I miss going out on Sunday walks with them which always end in the park. I really miss your wonderful company and hope that we will be able to get together again soon. Brenda promises she will cook all her specialties that you love if you come over.

See you soon!

Warm regards,

Francis
